

LARA WIKI NEWMAN  
EMERALD CLASS

Thursday 1<sup>st</sup> February 2018

Dear Diary,

I must confess, that something that happens to me everyday always destroys my kindness and turns it into anger; I mean a perfect girl's looks are perfect but there life isn't. My sister, Nyasha. She may be "kind" or "beautiful" but really she is my worst nightmare.

Firstly, she gets all the attention: everyone is always being lovely to her. With me they take no notice. When I try to be nice, I just give up! My father says he "loves" us both the same, but I know deep down Nyasha is the little favourite. Sometimes, I will do it back to her to see how she feels but she doesn't care one bit. This makes me more anxious!

One day, I will become queen and Nyasha will be my humble servant. Then she'll know how I feel. But what if she becomes queen? No she wouldn't! What if she does? I mean she is not that pretty, is she? Why do I have to worry that my snooty sister will become queen?

I know I'll become queen, I'm just too fabulous! I wish people will complement me like they do to Nyasha. When I become queen I will force them to bow to me. Then Nyasha will be jealous!

anyway it's my time to shine! Goodbye  
diary

LO: I am learning to analyse a book cover.

Success criteria

👍	I have made predictions about the story based on the blurb.	✓
👍	I have analysed images to help predict what the story might be about.	✓
👍	I have used inference to make suggestions about the characters in the story.	✓

This book reminds me of the book *Marshall and Gret* because they explore.

This shows that the boy is braver because he is going in the tunnel first.

There's a boy there obviously in a tunnel.

# The Tunnel

Anthony Browne

This is a book that some children might like.

Once upon a time there lived a little girl named Gret who was not at all alone. They brought her against all the time. Then one morning they discovered the tunnel and everything changed.

This shows Gret is really brave one another.

This tells us that Gret and Marshall are friends.

This indicates that the girl loves reading because she has a book and she loves going to school because.
