Academic Year	2018-2019	Total PP budget	£43,740	Date of most recent PP review	Jan, 2019
Total number of pupils	102	Number of pupils eligible for PP	31	Date for next PP Strategy Review	July 2019

At St. John's School we have high aspirations and ambitions for our children and we believe that no child should be left behind. We are determined to ensure that our children are given every chance to realise their full potential.

The Government believes that the Pupil Premium, which is additional to main school funding, is the best way to address the current underlying inequalities between children eligible for free school meals (FSM) and their wealthier peers by ensuring that funding to tackle disadvantage reaches the pupils who need it most.

It is for schools to decide how the Pupil Premium is spent, since they are best placed to assess what additional provision should be made for the individual pupils within their responsibility. However, they will be held accountable for how they have used the additional funding to support pupils from low income families. From September, 2016, schools are required to publish a Pupil Premium Strategy. This will ensure that parents are fully informed about the amount of allocation, barriers faced by eligible pupils, how the funding is to be spent, how impact will be measured and the date the strategy will be reviewed. We also need to include how the allocation was spent for the previous year and its impact on eligible and other pupils. Our key objective in using the Pupil Premium Grant is to diminish the differences between pupil groups.

As a school we consistently track all groups of pupils to ensure that they make good or better progress. Through targeted interventions we are working to eliminate barriers to learning and progress. For new entrants who start with low attainment on entry, our aim is to ensure that they make accelerated progress in order to reach age related expectations as they move through the school. Once at age related expectations we always continue to extend that learning further to ensure that they reach higher levels of attainment. We closely monitor how we are spending the allocated funds to ensure they are having an impact on pupil premium pupil's achievement.

Barriers to future attainment (for pupils eligible for PP)

In –school barriers

A	A large majority of PP pupils are also on the SEN register
B	Low levels on entry of PP pupils particularly in communication, literacy and language
C	Lack of motivation to want to persevere and succeed

External barriers

D	Attendance rates
E	Parental engagement with the school and lack of parental support during the holidays
F	Some home learning environments lack support for pupils' communication and literacy skills

Outcomes (Desired outcomes and how they will be measured)

A	Improve language skills for pupils eligible for PP	Outcomes at the end of the EYFS,KS1 & KS2 in reading and writing show that all pupils achieved at least their end of year target and speaking and listening in EYFS as well
B	Accelerate progress of all PP pupils	Some PP pupils make above the expected progress each term
C	Provide additional support for PP SEN pupils	PP pupils on the SEN register will be provided with the appropriate provision to ensure that they achieve their targets on their IEP and the objectives that are being set for them in every lesson. As soon as targets on the IEP are achieved a new IEP is written and agreed with the parents/carers. All parents of SEN pupils sign a copy of the reviewed IEP and the new IEP with support on how to help their child
D	Increase parental engagement through workshops and regular meetings Improve attendance of PP pupils	High attendance at parent workshops, followed up by regular meetings with some PP parents Feedback from parents and parent questionnaires show that parents welcome support with their child's learning Reduce the persistent absence (PA) of PP pupils from 2017/18 data
E	Increasing the number of PP pupils reaching a greater depth or achieving above national age related expectations across the curriculum	Data shows that most able pupils are at least in line with most able pupils nationally Ongoing monitoring of pupils achieving expected levels to ensure that they are being challenged to their full potential and some of these pupils are reaching a greater depth across the curriculum.

Planned Expenditure

Academic year 2018-19

The three headings below enable schools to demonstrate how they are using the Pupil Premium to improve classroom pedagogy, provide targeted support and support whole school strategies

Quality of teaching for all

<u>Desired outcome</u>	<u>Chosen action/approach</u>	<u>What is the evidence and rationale for this choice?</u>	<u>How will you ensure it is implemented well?</u>	<u>Staff lead</u>	<u>When will you review implementation?</u>	<u>Review Half-termly</u>
Improve language skills for pupils eligible for PP	Setting for phonics and daily reading/language development in Yr.1 & 2 and start in Reception in the second half of the Autumn Term TAs & HT running intervention groups in Phonics and writing	Some pupils need targeted support to diminish differences and to have individual support matched to their needs This approach has been shown to be effective in other schools Outcomes at the end of EYFS and Year 1 phonics screening show an improvement after setting Most able targeted to extend their learning	Literacy Co-ordinator & HT Timetabled daily in Reception and 4 times a week in Yr.1 & 2 Part of the regular monitoring schedule	Lit Co-ord. HT	Reviewed in pupil progress meetings half-termly	EYFS(2 ch.) Top up session for 1 ch. and differentiated groups well established, all pupils have made at least good progress and parents are involved Yr.1 (3 ch.) phonic screening test in Feb., showed that 2 PP pupils are on track to pass the Yr.1 phonic test Yr.2(1 ch.) phonic screening for 1 PP Yr.2 pupil shows that she is on track to pass the Yr. 1 phonic test The other 1 PP pupil is on track to achieve an exceeding reading level and speaking and listening.
	Supported daily one to one reading programme in Rec. daily Supported daily reading in Yr.1/2 Home reading journals checked daily and followed up to ensure	Tracking data in the school shows that reading is a real strength of the school Overtime in the school, this has impacted on our reading results across the school.	TAs to check reading journals daily Half – termly assessments and tracking for all pupils Support and training from the Literacy Co-ordinator in modelled	Lit Co-ord. & HT	Reviewed in pupil progress meetings half-termly	Reduction in the number of pupils being sent to Catch up Club in Yr.5/6 for not reading daily. Reduced by 25% from September, 2018 Moderation and observations in the classroom positively recognise the huge impact that Parental supported activities within each classroom has had on raising standards in reading. Reading results much improved, see

	that all children are reading daily at home. Intensive training from the Literacy co-ordinator in developing reading and raising the standards across the school		lessons, team teaching, training, pupil progress meetings across the school.			data.
				Total budget	£14,500	

£14,500 - £3,000 spent on a Literacy Co-ordinator supporting the teaching of reading and phonics, alongside supporting the TAs in the class teaching and the intervention groups. £11,500 – TA support both in the classroom and to take intervention groups.

<u>Desired outcome</u>	<u>Chosen action/approach</u>	<u>What is the evidence and rationale for this choice?</u>	<u>How will you ensure it is implemented well?</u>	<u>Staff lead</u>	<u>When will you review implementation?</u>	<u>Review July 2019</u>
Accelerate progress of PP pupils	Teachers targeting support and TAs providing interventions where needed in reading, writing and maths	Some pupils need targeted support to diminish differences and to have individual support matched to their needs The data for PP pupils shows they must make accelerated progress to diminish the differences with all pupils nationally	SLT regularly review this Groups will be tracked half-termly and assessment information analysed Focused pupils identified through pupil progress meetings and outcomes tracked to measure the impact of the support	HT and Assessment Co-ord.	Half-termly	Please refer to the progress and attainment table completed half-termly Following pupil progress meetings, provision timetables have been agreed and implemented. Reviewed half-termly or sooner if required.
Provide additional support for PP SEN pupils	Additional 1 – 1 support	School data shows that in year groups where PP pupils are also on the SEN register, they need to make accelerated progress to bring them in line with all pupils.	SLT regularly review this SENCO/HT will take a lead on ensuring pupil outcomes are improving and that the provision supports their needs.	SENCO	Half-termly	The SENCO has spent a lot of time reviewing IEPs and setting new IEPs with teachers and TAs to ensure that the needs of the pupils are being met. The literacy Co-ordinator and HT has supported TAs in ensuring that there is high quality teaching taking place. Majority of the pupils have achieved their targets on their

						IEPs and these are now being reviewed half-terminly to ensure accelerated progress is taking place. Many PP/SEN pupils have behavioural difficulties which is seriously impacting on the learning and taking a lot of SENCO and HT time to ensure that their needs are being met. The school is very effective in managing pupils with behavioural difficulties as is evident on their IEPs.& SEN files/ case studies.
Increasing the number of PP pupils reaching a greater depth across the curriculum	SLT to identify pupils with the potential to reach a higher standard in their learning across the curriculum Class teachers to meet with parents of potential pupils to share ideas for supporting learning at home	The school data shows that we need to increase the number of most able PP pupils reaching a higher standard Nationally PP do less well at the higher levels therefore this needs to be a focus for all schools	Booster Club after school x 3 a week and regular interventions by a senior teacher Produce a list of targeted pupils Literacy and Numeracy Co-ordinator providing training for teachers and TAs, supporting with planning, teaching and assessment to ensure that it is having the maximum impact	Literacy Co-ord Ass Co-ord. Numeracy Co-ord	Half-terminly	All more able pupils attend the appropriate clubs in art, science, sport and booster in Yr.6 All more able pupils in Yr. 6 are having additional booster programmes on a regular basis. Identified provision in place for more able pupils across the school.

Total cost: £23,040 - £4,000 for SENCO, £10,000 for Literacy Co-ordinator and Numeracy co-ordinator and £9,040 for TAs to support groups in class and intervention programmes

Other approaches

<u>Desired outcome</u>	<u>Chosen action/approach</u>	<u>What is the evidence and rationale for this choice?</u>	<u>How will you ensure it is implemented well?</u>	<u>Staff lead</u>	<u>When will you review implementation?</u>	<u>Review in July</u>
Improve parental engagement through workshops	Subject Leads and HT to deliver workshops All classes to run at	Parents are key in supporting effective learning as shown by a member of research	Attendance information at parent workshops will be analysed	SLT & class teachers	Autumn & Spring Term	Parent meetings on phonics, reading, maths and e-safety have been well attended.
