What to do if you have a welfare concern in St. John's C of E Primary

1. Introduction and ethos

- **St. John's C. of E. Primary School** is a nurturing community and all those directly connected (staff, governors, parents, families and pupils) have an essential role to play in making it safe and secure. **St. John's C. of E. Primary School** is mindful of our moral and statutory responsibility to safeguard and promote the welfare of all children. We want all our pupils to grow and to flourish whilst feeling safe and secure in our small caring community where the love of God is there to guide and inspire us in everything that we do.
- **St. John's C. of E. Primary School** recognises the importance of providing an ethos and environment within school that will help children to feel safe, secure and respected; encourage them to talk openly; and enable them to feel confident that they will be listened to. We are alert to the signs of abuse and neglect and follow our procedures to ensure that children receive effective support, protection and justice. Our core school values of forgiveness, respect, endurance, compassion, justice and confidence are there to guide all members of the school's community.
- Our school core safeguarding principles are:
 - It is a whole school responsibility to safeguard and promote the welfare of children as its paramount concern
 - All children (defined as those up to the age of 18) regardless of age, gender, ability, culture, race, language, religion or sexual identity, have equal rights to protection
 - All children have a right to be heard and to have their wishes and feelings taken into account
 - All staff understand safe professional practice and adhere to our code of conduct and other associated policies e.g. Behaviour Policy
 - All staff have a responsibility to recognise vulnerability in children and act on any concern in accordance with this guidance
- There are four main elements to our safeguarding policy
 - **Prevention** (e.g. positive, supportive, safe school culture, curriculum and pastoral opportunities for children, safer recruitment procedures);
 - **Protection** (by following the agreed procedures, ensuring all staff are trained and supported to respond appropriately and sensitively to safeguarding concerns);
 - **Support** (for all pupils, parents and staff, and where appropriate specific intervention for those who may be at risk of harm);
 - **Working with parents and other agencies** (to ensure appropriate communications and actions are undertaken).
- The procedures contained in this policy apply to all staff and governors and are consistent with those of Children Multi-Agency Safeguarding Hub (**MASH**).

2. Context

- This policy has been developed in accordance with the principles established by the Children Acts 1989 and 2004 and related guidance. This includes:
 - DfE guidance Keeping Children Safe in Education 2023 (KCSIE)
 - Working Together to Safeguard Children 2015 (WTSC)
 - Framework for the Assessment of Children in Need and their Families (2000)
 - **Enfield** Safeguarding Children Procedures (**Please refer to the notice board in the staffroom**)
- Section 175 of the Education Act 2002 requires school governing bodies, local education authorities and further education institutions to make arrangements to safeguard and

promote the welfare of all children who are pupils at a school, or who are students under 18 years of age. Such arrangements will have to have regard to any guidance issued by the Secretary of State.

3. Definition of safeguarding

- **Safeguarding and promoting the welfare of children is defined for the purposes of this policy as:**
 - **Protecting children from maltreatment;**
 - **Preventing impairment of children’s mental and physical health and development;**
 - **Ensuring that children grow up in circumstances consistent with the provision of safe and effective care; and**
 - **Taking action to enable all children to have the best outcomes (Keeping children safe in education DfE, September, 2023)**
- All safeguarding policies will be reviewed on an annual (minimum) basis by the Governing Body which has responsibility for oversight of school safeguarding and child protection systems. The Designated Safeguarding Lead / Head Teacher will ensure regular reporting on safeguarding activity and systems in school to the Governing Body. The Governing Body will not receive details of individual pupil situations or identifying features of families as part of their oversight responsibility.
- The school acknowledges that this policy will incorporate a range of safeguarding issues including (but not limited to):
 - Bullying (including cyberbullying)
 - Children absent from education
 - Child missing from home or care
 - Child Sexual Exploitation (CSE)
 - Child criminal exploitation(CCE): county lines
 - Child on child abuse
 - Domestic abuse
 - Drugs and alcohol
 - Fabricated or induced illness
 - Gangs and youth violence
 - Hate
 - Honour based abuse, including Female Genital Mutilation (FGM)
 - Mental and physical health and development
 - Online Safety
 - Prevent (Radicalisation and extremism)
 - Private fostering (who has parental responsibility)
 - Relationship abuse and gender-based abuse
 - Youth Produced Sexual Imagery or sharing of nudes and semi-nudes
 - Trafficking

(Also refer to ‘Keeping children safe in education’ September 2023)

- Every member of staff at **St. John’s C. of E. Primary School** is mindful that children experiencing specific safeguarding issues identified above are no different to safeguarding against any other vulnerability or concern and will be approached and responded to in the same way as protecting children from any other risks.

4. Equality statement

Some children have an increased risk of abuse, and additional barriers can exist for some children with respect to recognising or disclosing it. We are committed to anti-discriminatory practice and recognise

children's diverse circumstances. We ensure that all children have the same protection, regardless of any barriers they may face.

We give special consideration to children who:

- Have special educational needs (SEN) or disabilities or health conditions (see section paragraph 202)
- Are young carers
- May experience discrimination due to their race, ethnicity, religion, gender identification or sexuality
- Have English as an additional language
- Are known to be living in difficult situations – for example, temporary accommodation or where there are issues such as substance abuse or domestic violence
- Are at risk of FGM, sexual exploitation, forced marriage, or radicalisation
- Are asylum seekers
- Are at risk due to either their own or a family member's mental health needs
- Are looked after or previously looked after
- Are absent from education
- Whose parent/carer has expressed an intention to remove them from school to be home educated

5. Related safeguarding policies

- We are aware that safeguarding is fundamental to the welfare of all children in our care. This policy is therefore one of a series in the school's integrated safeguarding portfolio and should be read in conjunction with the policies as listed below. ([These can be found on the shared drive under safeguarding 2023 - 2024 or under policies on the school's website](#))
 - Behaviour Management, linked to the Use of Physical Intervention
 - Searching, screening and confiscation
 - Online Safety and Social Media
 - Anti-Bullying - Child on child abuse
 - Data Protection and Information Sharing
 - Image Use
 - Drugs
 - Relationships and Sex Education
 - Mental Health and Wellbeing Policy
 - Personal and Intimate Care
 - Health and Safety
 - Attendance (Children absent from Education)
 - Risk Assessments (e.g. school trips, use of technology)
 - First Aid and Accidents
 - Managing Allegations Against Staff
 - Code of Conduct for Staff (including Acceptable Use of Technology/AUP)
 - Safer Recruitment
 - Whistle-Blowing

Supporting Guidance (to be read and followed alongside this document, these documents are available to staff on the staff notice board)

- Statutory guidance **Working together to Safeguard Children;**

- Departmental advice **What to do if you are Worried a Child is Being Abused – advice for Practitioners**; and
- Departmental advice **Sexual Violence and Sexual Harassment Between Children in Schools and Colleges**

6. Key responsibilities

- Everyone who comes into contact with children and their families has a role to play in safeguarding children. Schools and colleges form part of the wider safeguarding system for children.
- The governing body have read and will follow KCSIE 2023. Further information regarding the key strategic responsibilities of the governing body and Headteacher are identified in appendix 1.
- The school has a nominated governor for safeguarding named on the front of this document. The nominated governor will take the lead role in ensuring that the school has an effective policy which interlinks with other related policies; that locally agreed procedures are in place and being followed; and that the policy and structures supporting safeguarding children are reviewed at least annually.
- The Governing Body and the Leadership Team will ensure that the DSL(s) is properly supported in this role at a time and resource level.

5.1 Designated Safeguarding Lead (DSL)

- The school has appointed a member of the leadership team **Mrs. Susan Notley** as the Designated Safeguarding Lead (DSL). The DSL has the overall responsibility for the day to day oversight of safeguarding and child protection systems in school.
- The DSL will undergo appropriate and specific training to provide them with the knowledge and skills required to carry out their role. This training will be approved by and meet the standards as required by the **Enfield** Safeguarding Children Board. The DSL's training will be updated formally every two years, but their knowledge and skills will be updated through a variety of methods (*e.g. e-Bulletins, conferences, regular ETSP meetings, annual twilight training, key documentation, on line training*) at regular intervals, at least annually, to keep up with any developments relevant to their role.
- The school has appointed additional staff to deputise for the DSL **Mr. Joe Law and Mrs. Lucy Gatward** Deputy DSLs have attended appropriate training, which enables them to fulfil this role. Whilst the activities of the designated safeguarding lead may be delegated to the deputies, the ultimate lead responsibility for safeguarding and child protection remains with the designated safeguarding lead and this responsibility will not be delegated.
- **It is the role of the DSL to:**
 - Act as the central contact point for all staff to discuss any safeguarding concerns.
 - Maintain a confidential recording system for safeguarding and child protection concerns.
 - Coordinate safeguarding action for individual children.
 - Review and update the list of vulnerable pupils when necessary and at least termly.
 - To help promote educational outcomes by sharing the information about the welfare, safeguarding and child protection issues that children, including children with a social worker, are experiencing, or have experienced, with teachers, support staff and the leadership team. The DSL needs to maintain a culture of high aspirations for this cohort; supporting teaching staff to identify the challenges that children in this group

- or within our own school based vulnerable pupil register might face and the additional academic support and adjustments that they could make to best support these children, completed in weekly and half-termly pupil progress meetings.
- Liaise with other agencies and professionals in line with Working together to safeguard children.
 - Consider the additional needs of pupils with a social worker. Within the regular meetings that take place, the DSL in conjunction with the Inclusion Co-ordinator need to identify and act upon the likelihood of these pupils being in difficult circumstances and how we will support them with their additional vulnerabilities.
 - The DSL is responsible for ensuring that the transfer of child protection files are sent securely both for in-year and end of year transfers. (Egress being used)
 - Ensure that locally established procedures are followed and making referrals to other agencies, including Early Help and Specialist Children's Services (SCS) as necessary.
 - Represent, or ensure the school is appropriately represented at inter-agency safeguarding meetings (including Child Protection conferences).
 - Manage and monitor the school's part in Early Help / Child in Need / Child Protection plans.
 - Be available during term time (during school hours) for staff in the school to discuss any safeguarding concerns.
 - Ensure all staff access appropriate safeguarding training and relevant updates in line with the recommendations within KCSIE (2023).
 - The virtual Headteacher has the responsibility to promote the education of children with a social worker, this involves regular meetings with all parties either virtually or in our Library. If we have to go to remote learning, then these pupils will be part of our online learning programme.
- Further details about the role of the DSL can be found in 'Keeping Children Safe in Education' 2023, part two.

5.2 Members of staff

- **All members of staff have a responsibility to:**
 - provide a safe environment in which children can learn
 - ensure all children are able to develop appropriate strategies to recognise and respond to risk and build resilience
 - identify and recognise children who may be in need of extra help, who are suffering, or are likely to suffer significant harm
 - provide help for children, where appropriate and reasonable
 - take appropriate action to prevent safeguarding concerns escalating and work with other services as needed
 - safeguard children's wellbeing and maintain public trust in the teaching profession as part of their professional duties
 - maintain an attitude of 'it could happen here' where safeguarding is concerned and to always act in the best interests of the child
 - respond to and refer any concerns about children or other members of the community in accordance with this policy
 - Contribute towards, read and adhering to the school policies
- All members of staff in **St. John's C. of E. Primary School** know what to do if a child tells them he/she is being abused or neglected. Members of staff know to maintain an appropriate level of confidentiality whilst at the same time liaising with relevant professionals such as the DSL and other agencies as appropriate. Members of staff know they must never promise a child that they will not tell anyone about a concern or allegation as this may

ultimately not be in the best interests of the child. See appendix 4 for advice for staff on responding to safeguarding concerns.

- **The welfare and safety of children are the responsibility of all staff in school and ANY concern for a pupil's welfare MUST always be reported to the Designated Safeguarding Lead(s). (Cause for concern reporting forms are located in the staffroom)**
- **The Vulnerable List is a topic for discussion in staff meetings so any non-urgent concerns that members of staff have about a child can be discussed here. All staff area aware that mental health and wellbeing of all pupils is a real priority across the school and a Parent Mentor is providing support in this.**

5.3 Children and young people

- **Children and young people (pupils) have a responsibility to:**
 - Contribute to the development of school safeguarding policies
 - Read and adhere to (at a level appropriate to their age and ability) the schools safeguarding policies and procedures
 - Seek help from a trusted adult if things go wrong, and support others that may be experiencing safeguarding concerns
 - Develop and take responsibility (at a level that is appropriate to their individual age, ability and vulnerabilities) for keeping themselves and others safe, including online

5.4 Parents and Carers

- **Parents/carers have a responsibility to:**
 - Read the relevant school/policies and procures, encouraging their children to adhere to them, and adhering to them themselves where appropriate
 - Discuss safeguarding issues with their children, support the school in their safeguarding approaches, and reinforce appropriate safe behaviours at home
 - Identify changes in behaviour which could indicate that their child is at risk of harm online
 - Seek help and support from the school, or other appropriate agencies, if they or their child encounters any safeguarding concern
 - Contribute to the development of the schools safeguarding policies
- A statement in the school prospectus will inform parents and carers about our school's duties and responsibilities under child protection and safeguarding procedures.
- Parents can obtain a copy of the school's Safeguarding and Child Protection Policy and other related policies on request and can view them via the school website www.stjohnsprimarysch.org.uk

7. Local support

- All members of staff in **St. John's C. of E. Primary School** are made aware of local support available
- **MASH Team**
 - 02083795555
 - Out of Hours Number: 0208379 1000
 - ChildrensMash@enfield.gov.uk

- **Police** 101 (or 999 if there is an immediate risk of harm)

Please refer to the list of contact numbers on the safeguarding board in the staffroom

8. Recognition and categories of abuse

- All staff in school should be aware of the definitions and signs and symptoms of abuse. There are four categories of abuse:
 - Physical abuse
 - Sexual abuse
 - Emotional abuse
 - Neglect
- The most up to date definitions and possible indicators and signs of abuse are found in Appendix 2. Staff should also refer to Part 1 and Annex A within 'Keeping children safe in education' 2023 and 'What to do if you are worried a child is being abused' 2015.
- Members of staff are made aware that that child welfare concerns may arise in many different contexts, and can vary greatly in terms of their nature and seriousness. Children may be abused in a family or in an institutional or community setting, by those known to them or by a stranger. They may be abused by an adult or adults, or another child or children. Children may be abused via the internet by their peers, family members or by unknown and in some cases unidentifiable individuals. In the case of honour -based abuse, including forced marriage and female genital mutilation, children may be taken out of the country to be abused. An abused child will often experience more than one type of abuse, as well as other difficulties in their lives.
- Abuse and neglect can happen over a period of time but can also be a one-off event. Child abuse and neglect can have major long-term impacts on all aspects of a child's health, development and well-being.
- The warning signs and symptoms of child abuse and neglect can vary from child to child. Children also develop and mature at different rates so what appears to be worrying for a younger child might be normal behaviour for an older child. Parental behaviours may also indicate child abuse or neglect, so staff should also be alert to parent-child interactions which are concerning and other parental behaviours. This could include parents who are under the influence of drugs or alcohol or if there is a sudden change in their mental health.
- By understanding the warning signs, we can respond to problems as early as possible and provide the right support and services for the child and their family. It is important to recognise that a warning sign doesn't automatically mean a child is being abused.

9. Staff induction, awareness and training

- All members of staff have been provided with a copy of part one of the "*Keeping Children Safe in Education*" (2023) which covers Safeguarding information. School leaders will read the entire document. School leaders and all members of staff who work directly with children will access Annex A within Keeping Children Safe in Education 2023. Members of staff have signed to confirm that they have read and understood Part One and Annex A (***In Safeguarding File, signed every year in September***).

- The DSL will ensure that all new staff and volunteers are appropriately inducted as regards the school's internal safeguarding procedures and communication lines. This will include a copy of the Behaviour Policy, the Child Protection and Safeguarding Policy, the Code of Conduct for Staff and the safeguarding response to children who go missing in education
- All staff members will receive appropriate safeguarding and child protection training (organised by the DSL) which will enable them to:
 - **Recognise** potential safeguarding and child protection concerns involving pupils and adults (colleagues, other professionals and parents/carers)
 - **Respond** appropriately to safeguarding issues and take action in line with this policy
 - **Record** concerns in line with the school policies
 - **Refer** concerns to the DSL and be able to seek support external to the school if required
- Staff will receive appropriate training to ensure they are aware of a range of safeguarding issues (see definition of safeguarding) and are aware that behaviours linked to the likes of drug taking, alcohol abuse, truanting and peer on peer abuse such as bullying and sharing of nudes and semi-nudes can put children in danger. The staff training will also include school responsibilities, the school child protection procedures, online safety, safe working practice and external reporting mechanisms.
- All staff members will receive regular safeguarding and child protection updates (**e.g. e-Bulletins, staff meetings or briefings, annual twilight training for all staff, online training**), as required, but at least annually, to provide them with relevant skills and knowledge to safeguard children effectively.
- All members of staff will be made aware of the school's expectations regarding safe and professional practice via the staff behaviour policy (or code of conduct) and Acceptable Use Policy (AUP) which is provided and discussed as part of the induction process.
- The school recognises the expertise which members of staff build by undertaking safeguarding training and managing safeguarding concerns on a daily basis. Opportunity is therefore provided for all staff to contribute to and shape safeguarding arrangements and the safeguarding (**weekly and half-termly meetings on safeguarding and vulnerable pupils' register, half-termly pupil progress meetings and at SLT**)
- The DSL and Head Teacher will provide an annual report to the Governing Body detailing safeguarding training undertaken by all staff and will maintain up to date registers of who has been trained.
- Although the school has a nominated lead for the governing body (Mr. Bates), all members of the governing body will access appropriate safeguarding training which covers their specific strategic responsibilities on a regular basis.
- The DSL will be responsible for ensuring that all visitors and supply teachers will receive the appropriate child protection and safeguarding induction. When signing in they will be made aware by the office manager of the DSL and procedure to follow if they have a cause for concern. Detail guidance and photos of the DSL are above the signing in book.

10. Safe working practice

- All members of staff are required to work within clear guidelines on Safe Working Practice / the school's Code of Conduct.
- Children may make allegations against staff in situations where they feel vulnerable or where they perceive there to be a possible risk to their welfare. As such, all staff should take care not to place themselves in a vulnerable position regarding child protection or potential allegations. For example, it is always advisable for interviews or work with individual children or parents to be conducted in view of other adults.

- Physical intervention should only be used when the child is endangering him/herself or others and such events should be recorded and signed by a witness. Staff should be aware of the school's **Behaviour Management and Physical Intervention Policies**, and any physical interventions must be in line with agreed policy and procedure in which appropriate training should be provided.
- Full advice and guidance can be found in **Guidance for Safer Working Practice for Adults who Work with Children and Young People in Education Settings (2015)** which can be found *through a link on the school website*.
- Staff should be particularly aware of the professional risks associated with the use of social media and electronic communication (email, mobile phones, texting, social network sites etc.) and should familiarise themselves with advice and professional expectations outlined in **Guidance for Safer Working Practice for Adults who Work with Children and Young People in Education Settings**, the school's **Online Safety Policy** and **Acceptable Use Policy** and **Safe Practice with Technology – Guidance for Adults who Work with Children and Young People**. These are all available on the staff notice board in the staffroom.

11. Staff supervision and support

- Any member of staff affected by issues arising from concerns for children's welfare or safety can seek support from the DSL.
- All new staff including newly qualified teachers and support staff will receive induction training and have a mentor or co-ordinator with whom they can discuss concerns including safeguarding concerns.
- The induction process will include familiarisation with child protection responsibilities and procedures to be followed if staff have any concerns about a child's safety or welfare.
- The school will provide appropriate supervision and support for all members of staff to ensure that:
 - All staff are competent to carry out their responsibilities for safeguarding and promoting the welfare of children
 - Staff are able to create an environment where members of staff feel able to raise concerns and feel supported in their safeguarding role
 - All staff have regular reviews of their own practice to ensure they improve over time.
- The DSL will also put staff in touch with outside agencies for professional support if they so wish. Staff can also approach organisations such as their Union, the Education Support Partnership or other similar organisations directly. Further information about a range of supporting organisations can be found in appendix 5.

EARLY YEARS AND FOUNDATION STAGE PROVISION:

- The school will ensure that members of staff who are working within the foundation stage are provided with appropriate supervision in accordance with the statutory requirements of Early Years Foundation Stage September 2022
- All staff will adhere to the agreed policy in place for use of mobile phones in the school and will have signed the necessary form annually.
- No parents are allowed on site where their mobile phone is visible, they are constantly reminded that mobile phones are not to be used whilst on site, that includes being inside the first school gate whilst waiting to drop off or collect pupils.

- The school's ipads or school cameras are the only devices that are to be used to take photographs that are only for the school's use e.g. in WOW books, displays, website, records for evidence
- All EYFS staff promote young children's understanding of how to keep themselves safe from relevant risks and monitor this across the curriculum when planning, teaching and assessing.

12. Safer recruitment

- **St. John's C. of E. Primary School** is committed to ensure that all steps are taken to recruit staff and volunteers who are safe to work with our pupils/students and have their welfare and protection as the highest priority. The Governing Body and Leadership Team are responsible for ensuring that the school follows safe recruitment processes outlined within guidance, including accurate maintenance of the Single Central Record (SCR); and an application, vetting and recruitment process which places safeguarding at its centre, regardless of employee or voluntary role. Mr. Bates to check the SCR termly and sign along with the Head teacher.
- **All regular volunteers will be required to complete an application form, have an enhanced DBS and two references obtained, please refer to the Safer Recruitment Policy**
- The Governing Body will ensure that the Head Teacher, other senior staff responsible for recruitment and one member of the Governing Body complete accredited Safer Recruitment Training in line with government requirements.
- We are also committed to supporting the statutory guidance from the Department for Education on the application of the Childcare (Disqualification) Regulations 2009 and related obligations under the Childcare Act 2006 in schools. Schools and local authorities must have regard to it when carrying out their duties to safeguard and promote the welfare of children under section 175, of the Education Act 2002, paragraph 7(b) of Schedule 1 to the Education (Independent School Standards) Regulations 2014 and paragraph 3 of the Schedule to the Education (Non-Maintained Special Schools) (England) Regulations 2011.

13. Safeguarding and child protection procedures

- **St. John's C. of E. Primary School** adheres to the **Children Multi-Agency Safeguarding Procedures**. The full LSCB procedures and additional guidance relating to specific safeguarding issues can be found in the file at Reception
- Additional guidance for staff includes
 - **'What to do if you are Worried About a Child Being Abused' (DfE 2015)**
 - **Information Sharing advice for safeguarding practitioners (2015)**
 - **MASH Threshold Criteria for Children in Need**
 - **The Assessment Framework for Children in Need and their Families (2000)**
- 'What to do if you are worried about a child being abused' (DfE 2015) p.12 identifies that there are four key steps for professionals to follow to help identify and respond appropriately to possible abuse and/or neglect.
- All members of staff are expected to be aware of and follow this approach:

- It may not always be appropriate to go through all four stages sequentially and if a child is in immediate danger or is at risk of harm, a referral should be made immediately to children’s social care and/or the police.
- **The role of the school in situations where there are child protection concerns is NOT to investigate but to recognise and refer.**
- It is the responsibility of the DSL to receive and collate information regarding individual children, to make immediate and on-going assessments of potential risk and to decide actions necessary (with parents / carers where appropriate). This includes the need to make referrals to partner agencies and services.
 - To help with this decision s/he may choose to consult with the **MASH Team on 0208379 5555**
 - Issues discussed during consultations may include the urgency and gravity of the concerns for a child or young person and the extent to which parents/carers are made aware of these.
- All members of staff are made aware of the early help process and understand their role within it. This includes identifying emerging problems, liaising with the designated safeguarding lead, sharing information with other professionals to support early identification and assessment and, in some cases, acting as the lead professional in undertaking an early help assessment.
- If early help is assessed to be appropriate then the DSL will support staff members involved with the family in liaising with other agencies and submitting an Early Help Notification Form. The DSL will keep all early help cases under constant review and will give consideration to making a referral to SCS if the situation doesn’t appear to be improving for the child.
- New referrals to services will be made using the agreed **Enfield County Council** process i.e. **the Early Help Notification form or inter-agency referral form for referrals to SCS**. These will be made with reference to the **Enfield Threshold Guidance at: new.enfield.gov.uk/enfieldsch/protocols and procedures** In situations where there are felt to be urgent or grave concerns, a telephone referral will be made prior to the form being completed and sent to the **County Duty Social Work Team**. Concerns for children who are already known to services will be passed to the allocated worker / Team.
- All members of staff are aware of the process for making referrals to SCS for statutory assessments under the Children Act 19895 that may follow a referral, along with the role they might be expected to play in such assessments.
- **In all but the most exceptional circumstances, parents /carers will be made aware of the concerns felt for a child or young person at the earliest possible stage. In**

the event of a referral to SCS being necessary, parents/carers will be informed and consent to this will be sought unless there is a valid reason not to do so.

- In the absence of the availability of the DSL to discuss an immediate and urgent concern, staff can seek advice from the **Education Safeguards Team (020 8379 2767)**. If anyone other than the DSL makes a referral to external services, then they will inform the DSL as soon as possible.
- On occasion, staff may pass information about a child to the DSL but remain anxious about action subsequently taken. Staff should feel able to clarify with the DSL further progress, so that they can reassure themselves the child is safe, and their welfare is being considered.
- If following this process, the staff member remains concerned that appropriate action is not being taken then the member of staff should seek further direct consultation from a member of the Education Safeguards Team who will be able to discuss the concern and provide further advice on appropriate action to be taken.
- If after a referral a child's situation does not appear to be improving then the DSL (or the person that made the referral) will press for reconsideration to ensure that the school's concerns have been addressed and, most importantly, that the child's situation improves. Professional disagreements (escalation) will be responded to in line with the **LSCB procedures** and DSLs may request support via the **Education Safeguarding Team (where appropriate)**.

14. Record keeping

- Staff will record any welfare concern that they have about a child on the school's safeguarding incident/concern form (with a body map where injuries have been observed) and pass them without delay to the DSL. Records will be completed as soon as possible after the incident/event, using the child's words and will be signed and dated.
- All safeguarding concerns, discussions and decisions made and the reasons for those decisions will be recorded in writing. If members of staff are in any doubt about recording requirements staff, then they will discuss their concerns with DSL.
- **Incident/concern forms are kept in a file in the staffroom.**
- Safeguarding records are kept for individual children and separate from all other records relating to the child in school. They are retained centrally and securely by the DSL and are shared with staff on a 'need to know' basis only.
- All safeguarding records will be forwarded in accordance with data protection legislation to a child's subsequent school/setting, under confidential and separate cover to the new DSL or Headteacher and a receipt of delivery will be obtained. This will be kept in the safeguarding file in the locked cupboard in the Head teacher's office.

Pupils with a social worker

Pupils may need a social worker due to safeguarding or welfare needs. We recognise that a child's experiences of adversity and trauma can leave them vulnerable to further harm as well as potentially creating barriers to attendance, learning, behaviour and mental health.

The DSL and all members of staff will work with and support social workers to help protect vulnerable children.

Where we are aware that a pupil has a social worker, the DSL will always consider this fact to ensure any decisions are made in the best interests of the pupil's safety, welfare and educational outcomes. For example, it will inform decisions about:

- Responding to unauthorised absence or missing education where there are known safeguarding risks
- The provision of pastoral and/or academic support

Looked-after and previously looked-after children

We will ensure that staff have the skills, knowledge and understanding to keep looked-after children and previously looked-after children safe. In particular, we will ensure that:

- Appropriate staff have relevant information about children's looked after legal status, contact arrangements with birth parents or those with parental responsibility, and care arrangements
- The DSL has details of children's social workers and relevant virtual school heads

We have appointed a designated teacher, Mrs. Susan Notley who is responsible for promoting the educational achievement of looked-after children and previously looked-after children in line with [statutory guidance](#).

The designated teacher is appropriately trained and has the relevant qualifications and experience to perform the role.

As part of their role, the designated teacher will:

- Work closely with the DSL to ensure that any safeguarding concerns regarding looked-after and previously looked-after children are quickly and effectively responded to
- Work with virtual school heads to promote the educational achievement of looked-after and previously looked-after children, including discussing how pupil premium plus funding can be best used to support looked-after children and meet the needs identified in their personal education plans

15. Working with other agencies

- **St. John's C. of E. Primary School** recognises and is committed to its responsibility to work with other professionals and agencies both to ensure children's needs are met and to protect them from harm. We will endeavour to identify those children and families who may benefit from the intervention and support of external professionals and will seek to enable referrals, in discussion with parents/carers as appropriate.
- Schools are not the investigating agency when there are child protection concerns and the school will therefore pass all relevant cases to the statutory agencies. We will however contribute to the investigation and assessment processes as required and recognise that a crucial part of this may be in supporting the child while these take place.
- **St. John's C. of E. Primary School** recognises the importance of multi-agency working and will ensure that staff are enabled to attend relevant safeguarding meetings, including Child Protection Conferences, Core Groups, Strategy Meetings, Child in Need meetings and Early Help Teams around the Child / Family.
- The School Leadership Team and DSL will work to establish strong and co-operative relationships with relevant professionals in other agencies.

16. Confidentiality and information sharing

- **St. John's C. of E. Primary School** recognises that all matters relating to child protection are confidential. The Headteacher who is the DSL will only disclose information about a pupil to other members of staff on a need to know basis.

- All members of staff must be aware that whilst they have duties to keep any information about children, families and colleagues which have access to as a result of their role confidential, they also have a professional responsibility to share information with other agencies in order to safeguard children. All staff must be aware that they cannot promise a child to keep secrets which might compromise the child's safety or wellbeing. Further advice on responding to disclosures can be found in appendix 4.
- DfE Guidance on Information Sharing (March 2015) provides further detail.

If the school is made aware of any safeguarding concerns which they feel need to be shared with the wider community (including other local schools) then advice will be sought from the Education Safeguarding team to ensure that the integrity of any subsequent investigations are maintained and that all members of the community are safeguarded.

17. Complaints

- The school has a **Complaints Procedure** available to parents, pupils/students and members of staff who wish to report concerns. This can be found ***on the school website***.
- All reported concerns will be taken seriously and considered within the relevant and appropriate process. Anything that constitutes an allegation against a member of staff or volunteer will be dealt with under the specific **Procedures for Managing Allegations Against Staff policy**. This can be found ***on the shared drive under policies***.

18. Safeguarding concerns and allegations of abuse against teachers, including supply teachers, other staff, volunteers and contractors.

- **St, John's C. of E. Primary School** recognises that it is possible for staff including supply teachers and volunteers to behave in a way that might cause harm to children and takes seriously any allegation received. Such allegations should be referred immediately to the Headteacher who will first contact the Local Authority Designated Officer (LADO) to agree further action to be taken in respect of the child and staff member. In the event of allegations of abuse being made against the Headteacher then staff are advised that allegations should be reported to the Chair of Governors.
- All staff and volunteers should feel able to raise concerns about poor or unsafe practice and such concerns will always be taken seriously by the senior leadership team.
- Schools must work with other agencies to investigate if someone who has worked in school has behaved or may behave in a way that indicates that they may not be suitable to work with children. This member of staff's behaviour may suggest transferrable risk to children (substance misuse or domestic violence for example)
- All members of staff are made aware of the school's Whistleblowing procedure and that it is a disciplinary offence not to report concerns about the conduct of a colleague that could place a child at risk.
- Members of Staff can also access the NSPCC whistleblowing helpline if they do not feel able to raise concerns regarding child protection failures internally. Staff can call: 0800 028 0285 (8:00 AM to 8:00 PM Monday to Friday) or email: help@nspcc.org.uk
- For specific guidance on how to respond to allegations against staff, please refer to the **"Procedures for Managing Allegations Against Staff"** and the **Whistleblowing Policy which can be found on staffroom board**.

When in doubt – consult

19. Safeguarding concerns and allegations against students

- **St. John's C. of E. Primary School** recognises that young people are capable of abusing their peers. Child on child abuse can take many forms, including (but not limited to) bullying, cyberbullying, hazing (initiation type violence), sexualised bullying and violence and sharing of nudes and semi-nudes. The school is mindful that some potential issues may be affected by the gender, age, ability and culture of those involved.
- **St. John's C. of E. Primary School** believes that abuse is abuse and it will never be tolerated, dismissed or minimised. Our school values and our vision statement are the solid foundation from which we work with all members of the community to ensure that our core values of forgiveness, confidence, friendship, endurance, respect and justice are central to how we expect everyone to conduct themselves in our school. Our school will ensure that appropriate curriculum time is dedicated to enable children to develop an awareness and understanding of abusive behaviour and to ensure that young people recognise warning signs and supports of support both within the school and externally (such as **the Police**, ChildLine etc.). Further information can be found in the ***Anti-Bullying Policy and the Online Safety Policy***.
- Pupils who have been experienced peer on peer abuse will be supported by:
 - Offering them an immediate opportunity to discuss the experience with a member of staff of their choice
 - Being advised to keep a record of concerns as evidence and discussions regarding how to respond to concerns and build resilience, if appropriate.
 - Providing reassurance and continuous support
 - Working with the wider community and local/national organisations to provide further or specialist advice and guidance
- Pupils who are alleged to have abused other pupils will be helped by:
 - Discussing what happened, establishing the specific concern and the need for behaviour to change
 - Informing parents/carers to help change the attitude and behaviour of the young person
 - Providing appropriate education and support
 - Sanctioning them in line with school behaviour/discipline policy. This may include official warnings, detentions, removal of privileges (including denial of online access), fixed-term and permanent exclusions.
 - Speaking with police or other local services (such as early help or children's specialist services) as appropriate
- Further information about **St. John's C. of E. Primary School** response to allegations of abuse against pupils can be located in (***Anti-Bullying, Online Safety etc.***).
- **St. John's C. of E. Primary School** is aware of and will follow the **LSCB procedures (www.lscb.co.uk)** for supporting children who are at risk of harm as a result of their own behaviour.

20. Safeguarding children with special educational needs and disabilities

- **St. John's C. of E. Primary School** acknowledges that children with special educational needs (SEN) and disabilities can face additional safeguarding challenges as they may have an impaired capacity to resist or avoid abuse. They may have speech,

language and communication needs which may make it difficult to tell others what is happening

- **St. John's C. of E. Primary School** will ensure that children with SEN and disabilities, specifically those with communication difficulties will be supported to ensure that their voice is heard and acted upon.
- Members of staff are encouraged to be aware that children with SEN and disabilities can be disproportionately impacted by safeguarding concerns such as bullying. All members of staff will be encouraged to appropriately explore possible indicators of abuse such as behaviour/mood change or injuries and not to assume that they are related to the child's disability and be aware that children with SEN and disabilities may not always outwardly display indicators of abuse.
- Our vulnerable pupils' register is monitored very closely and discussed termly with all staff.

21. Curriculum and staying safe

- We recognise that schools play an essential role in helping children to understand and identify the parameters of what is appropriate child and adult behaviour; what is 'safe'; to recognise when they and others close to them are not safe; and how to seek advice and support when they are concerned.
- **St. John's C. of E. Primary School** will use the curriculum to provide opportunities for increasing self-awareness, self-esteem, social and emotional understanding, assertiveness and decision making so that students have a range of contacts and strategies to ensure their own protection and understand the importance of protecting others, including online.
- Pupils will be educated at a level appropriate to their age and ability about a range of safeguarding concerns through RSHE. This will include, but is not limited, to bullying (including cyber bullying) radicalisation, child sexual exploitation (CSE), stranger danger, road safety, sexual abuse, neglect, gender based violence/sexual assaults and sharing nude and semi-nudes.
- Systems have been established to support the empowerment of children to talk to a range of staff. Children at **St. John's C. of E. Primary School** will be listened to and heard and their concerns will be taken seriously and acted upon as appropriate.
- Specific systems outside of expected day to day classroom interaction and support will include:
 - **School Council**
 - **RSHE events**
 - **Regular feedback questionnaires with groups of children**
 - **Online-Safety workshops**
 - **Head teacher's open door policy**
 - **Specific assemblies**
 - **Acts of collective worship**
 - **Pupils leading collective worship on such topics as our school values**
 - **Annual EHCP reviews**
 - **Staff and Parent questionnaires**
 - **Governors meeting with pupils, staff and parents**

22. Online safety

- It is recognised by **St. John's C. of E. Primary School** that the use of technology presents particular challenges and risks to children and adults both inside and outside of school. It emphasises the importance of teaching that is always age and developmentally

appropriate. Please refer to the new guidance document 'Teaching online safety in school (DfE, June 2019) and KCSIE, 2023

- **St. John's C. of E. Primary School** identifies that the issues classified within online safety are considerable, but can be broadly categorised into three areas of risk:
 - **content:** being exposed to illegal, inappropriate or harmful material
 - **contact:** being subjected to harmful online interaction with other users
 - **conduct:** personal online behaviour that increases the likelihood of, or causes, harm
- The Head teacher (DSL) and leadership team have read annex C regarding Online Safety within 'Keeping children safe in education' 2023.
- **St. John's C. of E. Primary School** will ensure that appropriate filtering and monitoring systems are in place when pupils and staff access school systems and internet provision. The school will be careful to ensure that these systems do not place unreasonable restrictions on internet access or limit what children can be taught with regards to online teaching and safeguarding
- **St. John's C. of E. Primary School** acknowledges that whilst filtering and monitoring is an important part of schools online safety responsibilities, it is only one part of our role. Children and adults may have access to systems external to the school control such as mobile phones and other internet enabled devices and technology. This is covered in more depth within the school **Online Safety Policy** which can be found on the website.
- **St. John's C. of E. Primary School** will ensure a comprehensive whole school curriculum response is in place to enable all pupils to learn about and manage online risks effectively and will support parents and the wider school community (including all members of staff) to become aware and alert to the need to keep children safe online.
- Detailed information about the school's response to online safety can be found in the school's **Online Safety Policy and Acceptable Use policy** which can be found on the website.
- Where pupils are being asked to learn online at home the department has provided advice to support schools to do so safely: [safeguarding-in-schools-colleges-and-other-providers and safeguarding-and –remote-education](#)
- All teachers will have read the DfE document 'Teaching online safety in school', June 2019, KCSIE, 2023 and agreed the School's Online Safety Policy.

23. The use of school premises by other organisations

- Where services or activities are provided separately by another body using the school premises, the Head Teacher and Governing Body will seek written assurance that the organisation concerned has appropriate policies and procedures in place with regard to safeguarding children and child protection and that relevant safeguarding checks have been made in respect of staff and volunteers.
- If this assurance is not achieved, then an application to use premises will be refused.
- At this present time, this is not operational.

24. Security

- All members of staff have a responsibility for maintaining awareness of buildings and grounds security and for reporting concerns that may come to light. We operate within a

whole-school community ethos and welcome comments from pupils/students, parents and others about areas that may need improvement as well as what we are doing well.

- Appropriate checks will be undertaken in respect of visitors and volunteers coming into school as outlined within guidance. Visitors will be expected to sign in and out via the office visitors log and to display a visitor's badge whilst on school site. Any individual who is not known or identifiable should be challenged for clarification and reassurance.
- The school will not accept the behaviour of any individual (parent or other) that threatens school security or leads others (child or adult) to feel unsafe. Such behaviour will be treated as a serious concern and may result in a decision to refuse access for that individual to the school site (Please refer to the Abusive parents/ carers and visitors' Policy)

Checking the identity and suitability of visitors

All visitors will be required to verify their identity to the satisfaction of staff and to keep their mobile phone in their bag except if they need to use it, they may use it in the staffroom, outside the staffroom back door section or outside the school's main gate.

If the visitor is unknown to the setting, we will check their credentials and reason for visiting before allowing them to enter the setting. Visitors should be ready to produce identification.

Visitors are expected to sign the visitors' book and wear a visitor's badge.

They will be reminded what to do in the event of a fire and if they have concerns about the welfare and safety of a child, who they need to speak to. (all this information is displayed in the Reception Area)

Visitors to the school who are visiting for a professional purpose, such as educational psychologists and school improvement officers, will be asked to show photo ID and:

- Will be asked to show their DBS certificate, which will be checked alongside their photo ID; or
- The organisation sending the professional, such as the LA or educational psychology service, will provide prior written confirmation that an appropriate level of DBS check has been carried out

All other visitors, including visiting speakers, will be accompanied by a member of staff at all times. We will not invite into the school any speaker who is known to disseminate extremist views and will carry out appropriate checks to ensure that any individual or organisation using school facilities is not seeking to disseminate extremist views or radicalise pupils or staff.

Non-collection of children

If a child is not collected at the end of the session/day, we will:

The Head teacher or Deputy Head teacher will look after the child, the parents will be contacted. Please refer to our Late Collection Policy.

Appendix 1: Responsibilities of the Governing Body and the Headteacher

The Governing body has the responsibility to ensure:

- There is a named Designated Safeguarding Lead (DSL) at our school it is the Head teacher who is a member of the senior leadership team and who has undertaken approved LSCB training in inter-agency working, in addition to basic child protection training.
- The school has an up-to-date Safeguarding and Child Protection Policy which is consistent with LSCB requirements, reviewed annually and made available to parents on request.
- Training is undertaken by all in a governance role as part of their induction process together with ongoing training.
- Procedures are in place for dealing with allegations of abuse made against members of staff including allegations made against the head teacher.
- Safer recruitment procedures, which include the requirement for appropriate checks in line with national guidance are in place.
- There is an up-to-date and appropriate training strategy which ensures all members of staff, including the managers, teaching and non-teaching staff, receive safeguarding training.
- That all temporary staff, visitors and volunteers are made aware of the school's arrangements for safeguarding.
- That appropriate filters and appropriate monitoring systems for school systems and internet enabled devices are in place whilst being mindful to ensure that "over blocking" does not lead to unreasonable restrictions as to what children can be taught with regards to online teaching and safeguarding.
- That the governing body nominates a member (normally the chair) at St. John's School, this is the Chair, Jonathan Dean who is responsible for liaising with the local authority and other agencies in the event of an allegation being made against the head teacher. An annual report will be submitted to the local authority about how the governing body's duties have been carried out. Any weaknesses or areas of concern will be rectified without delay.
- That children are taught about safeguarding, including online safety, through teaching and learning opportunities, as part of providing a broad and balanced curriculum.

The Headteacher who is the DSL has the responsibility to ensure:

- That the Safeguarding and Child Protection Policy and procedures are implemented and followed by all staff.
- That all members of staff feel able to raise concerns about poor or unsafe practice and that such concerns are handled sensitively and in accordance with the school's whistle blowing procedures.
- That child's safety and welfare is addressed through the curriculum.
- Works very closely with the Inclusion Manager who has responsibility for looked after children, EAL pupils and SEND.

Appendix 2: Categories of Abuse

Abuse: a form of maltreatment of a child. Somebody may abuse or neglect a child by inflicting harm, or by failing to act to prevent harm. They may be abused by an adult or adults or another child or children. It should be noted that abuse can be carried out both on and offline and be perpetrated by men, women and children. All members of staff should read and understand part one of 'Keeping children safe in education' 2022 and staff who have direct contact with pupils should also read annex A.

Sexual abuse: involves forcing or enticing a child or young person to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening. The activities may involve physical contact, including assault by penetration (for example rape or oral sex) or non-penetrative acts such as masturbation, kissing, rubbing and touching outside of clothing. They may also include non-contact activities, such as involving children in looking at, or in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse (including via the internet). Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can other children.

Signs that MAY INDICATE Sexual Abuse

- Sudden changes in behaviour and school performance
- Displays of affection which are sexual and age inappropriate
- Self-harm, self-mutilation or attempts at suicide
- Alluding to secrets which they cannot reveal
- Tendency to cling or need constant reassurance
- Regression to younger behaviour for example thumb sucking, playing with discarded toys, acting like a baby
- Distrust of familiar adults e.g. anxiety of being left with relatives, a child minder or lodger
- Unexplained gifts or money
- Depression and withdrawal
- Fear of undressing for PE
- Sexually transmitted disease
- Fire setting

Physical abuse: a form of abuse which may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child.

Signs that MAY INDICATE physical abuse

- Bruises and abrasions around the face
- Damage or injury around the mouth
- Bi-lateral injuries such as two bruised eyes
- Bruising to soft area of the face such as the cheeks
- Fingertip bruising to the front or back of torso
- Bite marks
- Burns or scalds (unusual patterns and spread of injuries)
- Deep contact burns such as cigarette burns
- Injuries suggesting beatings (strap marks, welts)
- Covering arms and legs even when hot
- Aggressive behaviour or severe temper outbursts.

- Injuries need to be accounted for. Inadequate, inconsistent or excessively plausible explanations or a delay in seeking treatment should signal concern.

Emotional abuse: the persistent emotional maltreatment of a child such as to cause severe and adverse effects on the child's emotional development. It may involve conveying to a child that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may include not giving the child opportunities to express their views, deliberately silencing them or 'making fun' of what they say or how they communicate. It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond a child's developmental capability as well as overprotection and limitation of exploration and learning, or preventing the child participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying (including cyberbullying), causing children frequently to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child, although it may occur alone.

Signs that MAY INDICATE emotional abuse

- Over reaction to mistakes
- Lack of self-confidence/esteem
- Sudden speech disorders
- Self-harming
- Eating Disorders
- Extremes of passivity and/or aggression
- Compulsive stealing
- Drug, alcohol, solvent abuse
- Fear of parents being contacted
- Unwillingness or inability to play
- Excessive need for approval, attention and affection

Neglect: the persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. Neglect may occur during pregnancy as a result of maternal substance abuse. Once a child is born, neglect may involve a parent or carer failing to: provide adequate food, clothing and shelter (including exclusion from home or abandonment); protect a child from physical and emotional harm or danger; ensure adequate supervision (including the use of inadequate care-givers); or ensure access to appropriate medical care or treatment. It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.

Signs that MAY INDICATE neglect.

- Constant hunger
- Poor personal hygiene
- Constant tiredness
- Inadequate clothing
- Frequent lateness or non-attendance at School
- Untreated medical problems
- Poor relationship with peers
- Compulsive stealing and scavenging
- Rocking, hair twisting and thumb sucking
- Running away
- Loss of weight or being constantly underweight
- Low self esteem

Appendix 3: Specific Safeguarding Issues (See Part 1 of Keeping Children Safe in Education 2023)

Children Absent from Education

St. John's C. of E. Primary School recognises that all children, regardless of their circumstances, are entitled to a full-time education which is suitable to their age, ability, aptitude and any special educational needs they may have. **St. John's C. of E. Primary School** is aware that a child absent from education is a potential indicator of abuse or neglect.

St. John's C. of E. Primary School has a procedure in place for responding to unauthorised absence and for dealing with children absent from education, particularly on repeat occasions, to help identify the risk of abuse and neglect, including sexual exploitation, and to help prevent the risks of their going missing in future. For further information, please access the school's policy and procedures regarding **attendance** and **inclusion**.

A child absent from education, particularly repeatedly, can be a warning sign of a range of safeguarding issues. This might include abuse or neglect, such as sexual abuse or exploitation or child criminal exploitation, or issues such as mental health problems, substance abuse, radicalisation, FGM or forced marriage.

There are many circumstances where a child may be absent from education, but some children are particularly at risk. These include children who:

- Are at risk of harm or neglect
- Are at risk of forced marriage or FGM
- Come from Gypsy, Roma, or Traveller families
- Come from the families of service personnel
- Go missing or run away from home or care
- Are supervised by the youth justice system
- Cease to attend a school
- Come from new migrant families

We will follow our procedures for unauthorised absence and for dealing with children who are absent from education, particularly on repeat occasions, to help identify the risk of abuse and neglect, including sexual exploitation, and to help prevent the risks of going missing in future.

Where a child doesn't turn up for school, we will phone if we haven't heard from that parent by time the register is closed. If no response, we will phone the other two contacts and also email and if we haven't heard anything back from anybody, then two members of staff will visit the home. This includes informing the local authority if a child leaves the school without a new school being named and adhering to requirements with respect to sharing information with the local authority, when applicable, when removing a child's name from the admission register at non-standard transition points.

Staff will be trained in signs to look out for and the individual triggers to be aware of when considering the risks of potential safeguarding concerns which may be related to being missing, such as travelling to conflict zones, FGM and forced marriage.

If a staff member suspects that a child is suffering from harm or neglect, we will follow local child protection procedures, including with respect to making reasonable enquiries. We will make an

immediate referral to the local authority children's social care team, and the police, if the child is suffering or likely to suffer from harm, or in immediate danger.

Mental Health and wellbeing

All staff at St. John's C.of E. Primary School area aware that mental health problems can, and in some cases, be an indicator that a child has suffered or is at risk of suffering abuse, neglect or exploitation.

Where children have suffered abuse or neglect, or other potentially traumatic adverse childhood experiences, this can have a lasting impact throughout childhood, adolescences and into adulthood. It is key that all staff are aware of how these children's experiences, can impact on their mental health, behaviour and education.

If any member of staff has a mental health concern about a child that is also a safeguarding concern, immediate action should be taken, following the procedures laid out in this policy and speaking to the designated safeguarding lead or a deputy.

Child Sexual Exploitation (CSE)

St. John's C. of E. Primary School identifies that CSE involves exploitative situations, contexts and relationships where young people receive something (for example food, accommodation, drugs, alcohol, gifts, money or in some cases simply affection) as a result of engaging in sexual activities.

St. John's C. of E. Primary School is aware that sexual exploitation can take many forms ranging from the seemingly 'consensual' relationship where sex is exchanged for affection or gifts, to serious organised crime by gangs and groups. What marks out exploitation is an imbalance of power in the relationship. The perpetrator always holds some kind of power over the victim which increases as the exploitative relationship develops. Sexual exploitation may involve varying degrees of coercion, intimidation or enticement, including unwanted pressure from peers to have sex, sexting, sexual bullying including cyberbullying and grooming. However, it also important to recognise that some young people who are being sexually exploited do not exhibit any external signs of this abuse or recognise this as abusive.

Every member of staff at **St. John's C. of E. Primary School** recognises that children at risk of CSE need to be identified and issues relating to CSE should be approached in the same way as protecting children from other risks.

Sexual violence and sexual harassment between children in schools

Sexual violence and sexual harassment can occur:

- Between 2 children of any age and sex
- Through a group of children sexually assaulting or sexually harassing a single child or group of children
- Online and face to face (both physically and verbally)

Sexual violence and sexual harassment exist on a continuum and may overlap.

Children who are victims of sexual violence and sexual harassment will likely find the experience stressful and distressing. This will, in all likelihood, adversely affect their educational attainment and will be exacerbated if the alleged perpetrator(s) attends the same school.

If a victim reports an incident, it is essential that staff make sure they are reassured that they are being taken seriously and that they will be supported and kept safe. A victim should never be given the impression that they are creating a problem by reporting sexual violence or sexual harassment. Nor should a victim ever be made to feel ashamed for making a report.

Some groups are potentially more at risk. Evidence shows that girls, children with SEN and/or disabilities, and lesbian, gay, bisexual and transgender (LGBTQ+) children are at greater risk.

Staff should be aware of the importance of:

- Challenging inappropriate behaviours
- Making clear that sexual violence and sexual harassment is not acceptable, will never be tolerated and is not an inevitable part of growing up
- Challenging physical behaviours (potentially criminal in nature), such as grabbing bottoms, breasts and genitalia, pulling down trousers, flicking bras and lifting up skirts. Dismissing or tolerating such behaviours risks normalising them

If staff have any concerns about sexual violence or sexual harassment, or a child makes a report to them, they will follow the procedures set out in section 7 of this policy, as appropriate. In particular, section 7.8 and 7.9 set out more detail about our school's approach to this type of abuse.

Serious violence

Indicators which may signal that a child is at risk from, or involved with, serious violent crime may include:

- Increased absence from school
- Change in friendships or relationships with older individuals or groups
- Significant decline in performance
- Signs of self-harm or a significant change in wellbeing
- Signs of assault or unexplained injuries
- Unexplained gifts or new possessions (this could indicate that the child has been approached by, or is involved with, individuals associated with criminal networks or gangs and may be at risk of criminal exploitation (see above))

Risk factors which increase the likelihood of involvement in serious violence include:

- Being male
- Having been frequently absent or permanently excluded from school
- Having experienced child maltreatment
- Having been involved in offending, such as theft or robbery

Staff will be aware of these indicators and risk factors. If a member of staff has a concern about a pupil being involved in, or at risk of, serious violence, they will report this to the DSL.

Checking the identity and suitability of visitors

All visitors will be required to verify their identity to the satisfaction of staff and to leave their mobile phone in their bag on silent. They will be told where they can use their phone if it is absolutely necessary. If the visitor is unknown to the setting, we will check their credentials and reason for visiting before allowing them to enter the setting. Visitors should be ready to produce identification.

Visitors are expected to sign the visitors' book and wear a visitor's badge.

Visitors to the school who are visiting for a professional purpose, such as educational psychologists and school improvement officers, will be asked to show photo ID and:

- Will be asked to show their DBS certificate, which will be checked alongside their photo ID; or
- The organisation sending the professional, such as the LA or educational psychology service, will provide prior written confirmation that an appropriate level of DBS check has been carried out

All other visitors, including visiting speakers, will be accompanied by a member of staff at all times. We will not invite into the school any speaker who is known to disseminate extremist views and will carry out appropriate checks to ensure that any individual or organisation using school facilities is not seeking to disseminate extremist views or radicalise pupils or staff.

-

'Honour -based' abuse

Members of staff at **St. John's C. of E. Primary School** are aware that 'Honour-based' abuse (HBV) encompasses a range of crimes which have been committed to protect or defend the honour of the family and/or the community, including Female Genital Mutilation (FGM), forced marriage, and practices such as breast ironing. Please refer to Annex A of KCSIE, 2023.

The indicators of HBV and associated factors will be covered with staff within the school safeguarding training. All members of staff are alert to the possibility of a child being at risk of HBV, or already having suffered HBV. All members of staff are aware that all forms of HBV are abuse (regardless of the motivation) and will be handled and escalated as such. Staff will speak with DSL if they are concerned about HBV.

All members of staff will follow the school and LSCB procedures, using existing national and local protocols for multi-agency liaison with police and children's social care.

Forced Marriage

Staff should report concerns regarding forced marriage to the DSL or can contact the Forced Marriage Unit if they need advice or information. Contact: 020 7008 0151 or email: fm@fco.gov.uk

Female Genital Mutilation (FGM) mandatory reporting duty

Teachers must personally report to the police by dialling 101 cases where they discover that an act of FGM appears to have been carried out. Unless the teacher has a good reason not to, they should also still consider and discuss any such case with the DSL and involve children's social care as appropriate. The duty does not apply in relation to at risk or suspected cases (i.e. where the teacher does not discover that an act of FGM appears to have been carried out,

either through disclosure by the victim or visual evidence) or in cases where the woman is 18 or over. In these cases, teachers should follow local safeguarding procedures.

[Summary of the FGM mandatory reporting duty](#)

Child on child abuse

All staff should be aware that children can abuse other children (often referred to as peer on peer/ child on child abuse). This is most likely to include, but may not be limited to:

- Bullying (including cyberbullying)
- Physical abuse such as hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm;
- Sexual abuse
- Sexual harassment
- Upskirting - 'upskirting' typically involves taking a picture under a person's clothing without them knowing, with the intention of viewing their genitals or buttocks to obtain sexual gratification, or cause the victim humiliation, distress or alarm. 'Upskirting' is now a criminal offence. Please refer to Annex A on KCSIE, 2022
- Sharing of nudes and semi-nudes
- Initiation/hazing type violence and rituals

At St. John's School, we believe that abuse is abuse and should never be tolerated or passed off as 'banter', 'just having a laugh' or 'part of growing up'. Allegations of child on child abuse will be recorded on the serious incident forms, investigated by a senior member of staff and dealt with by the HT.

Procedures

1. All incidents of abuse should be reported to the Head teacher or the Deputy Head teacher in her absence.
2. All reported incidents will be fully investigated and recorded in the serious incident file. In all cases they will ascertain whether they are a case of abuse or other behaviour issues which can be dealt with through the school's behaviour policy. The abuse behaviour or threats of abuse must be investigated, and the abuse stopped quickly.
3. In all cases of abuse, senior staff will record the incidents on the incident form
4. In all cases, parents of both the victim and the abuser will be informed and will be asked to attend a meeting to discuss the problem.
5. The school will be proactive in supporting the victim and also work with the abuser (abusers) to support them in challenging their behaviour. This will be closely monitored.
6. If necessary and appropriate, police will be consulted.

The school will respond to the pupil who is abused by:

- Actively listening to the child
- Offering support and strategies to deal with unwanted behaviours
- Protecting the child and ensuring their safety as and when necessary
- Involving parents
- Involving outside agencies to support the child as appropriate

The school will respond to the abuser by:

- Ensuring that they recognise, take responsibility for and reflect on their behaviour/s and how it affects others
- Applying appropriate sanctions
- Guiding, supporting, advising and offering them strategies to change their behaviour
- Insisting that they take responsibility for their actions and help them to actively make amends
- Involving parents
- Involving outside agencies when necessary

Outcomes

1. The abuser (abusers) will be dealt with according to the severity of the abuse and consequences may take place in line with the school's behaviour policy and full parental involvement.
2. In serious cases, suspension or even exclusion will be considered in line with the school's behaviour policy.
3. If possible, the pupils will be reconciled.
4. After the incident/incidents have been investigated and dealt with, each case will be monitored to ensure repeated abuse does not take place.

Prevention

We will use various methods for helping children to prevent abusing. As and when appropriate, these may include:

- Signing the home/school agreement
- Signing a behaviour contract
- Using the curriculum, particularly RSHE, to raise awareness and to have discussions about abusing and why it matters
- Through our positive behaviour policy ensure that every child and adult at our school feels happy, valued and is treated with respect
- The school council is pro-active in supporting the aims of this policy
- To ensure that all our pupils and staff are involved in developing and evaluating our vision statement, codes of conduct, school rules and behaviour policies

Monitoring

As part of our monitoring strategy we will:

- Meet with pupils and give them regular opportunities to tell us if our procedure for dealing with peer on peer abuse is working from their point of view and if the school is responding to incidents.
- Review the effectiveness of our procedures with governors, staff, pupils and parents.
- The head teacher will report on abuse incidents if any every half-term to the governors
- The Senior Leadership Team will analyse the incidents recorded in the serious incident file to identify any patterns of behaviour or common themes.

Serious violence

Indicators which may signal that a child is at risk from, or involved with, serious violent crime may include:

- Increased absence from school
- Change in friendships or relationships with older individuals or groups
- Significant decline in performance
- Signs of self-harm or a significant change in wellbeing
- Signs of assault or unexplained injuries
- Unexplained gifts or new possessions (this could indicate that the child has been approached by, or is involved with, individuals associated with criminal networks or gangs and may be at risk of criminal exploitation (see above))

Risk factors which increase the likelihood of involvement in serious violence include:

- Being male
- Having been frequently absent or permanently excluded from school
- Having experienced child maltreatment
- Having been involved in offending, such as theft or robbery

Staff will be aware of these indicators and risk factors. If a member of staff has a concern about a pupil being involved in, or at risk of, serious violence, they will report this to the DSL.

Homelessness

Preventing radicalisation

St. John's C. of E. Primary School recognises that exposure of children (and adults) to extremist ideology can hinder their social development and educational attainment alongside posing a very real risk that they could support or partake in an act of violence. Radicalisation of young people can be compared to grooming for sexual exploitation.

St. John's C. of E. Primary School will ensure all staff have training that includes guidance on how to identify people who may be vulnerable to being drawn into extremism or terrorism, and how to refer them into the Channel process. The DSL will attend additional training which includes further information on the Prevent Duty.

Every member of staff at **St. John's C. of E. Primary School** recognises that children exposed to radicalisation and extremism is no different to safeguarding against any other vulnerability and should be approached in the same way as protecting children from other risks. All members of the community at **St. John's C. of E. Primary School** will report concerns regarding radicalisation and extremism to the DSL who will follow local and national guidance.

- **Radicalisation** refers to the process by which a person comes to support terrorism and extremist ideologies associated with terrorist groups
- **Extremism** is vocal or active opposition to fundamental British values, such as democracy, the rule of law, individual liberty, and mutual respect and tolerance of different faiths and beliefs. This also includes calling for the death of members of the armed forces
- **Terrorism** is an action that:
 - Endangers or causes serious violence to a person/people;
 - Causes serious damage to property; or
 - Seriously interferes or disrupts an electronic system

The use or threat of terrorism must be designed to influence the government or to intimidate the public and is made for the purpose of advancing a political, religious or ideological cause.

Schools have a duty to prevent children from being drawn into terrorism. The DSL will undertake Prevent awareness training and make sure that staff have access to appropriate training to equip them to identify children at risk.

We will assess the risk of children in our school being drawn into terrorism. This assessment will be based on an understanding of the potential risk in our local area, in collaboration with our local safeguarding partners and local police force.

We will ensure that suitable internet filtering is in place and equip our pupils to stay safe online at school and at home.

There is no single way of identifying an individual who is likely to be susceptible to an extremist ideology. Radicalisation can occur quickly or over a long period.

Staff will be alert to changes in pupils' behaviour.

The government website [Educate Against Hate](#) and charity [NSPCC](#) say that signs that a pupil is being radicalised can include:

- Refusal to engage with, or becoming abusive to, peers who are different from themselves
- Becoming susceptible to conspiracy theories and feelings of persecution
- Changes in friendship groups and appearance
- Rejecting activities they used to enjoy
- Converting to a new religion
- Isolating themselves from family and friends
- Talking as if from a scripted speech
- An unwillingness or inability to discuss their views
- A sudden disrespectful attitude towards others
- Increased levels of anger
- Increased secretiveness, especially around internet use
- Expressions of sympathy for extremist ideologies and groups, or justification of their actions
- Accessing extremist material online, including on Facebook or Twitter
- Possessing extremist literature

- Being in contact with extremist recruiters and joining, or seeking to join, extremist organisations

Children who are at risk of radicalisation may have low self-esteem or be victims of bullying or discrimination. It is important to note that these signs can also be part of normal teenage behaviour – staff should have confidence in their instincts and seek advice if something feels wrong.

If staff are concerned about a pupil, they will follow our procedures set out in section 7.5 of this policy, including discussing their concerns with the DSL.

Staff should **always** take action if they are worried.

Additional information about responding to online radicalisation and extremism can be found in the school's Online Safety Policy.

Appendix 4: Keeping yourself safe when responding to disclosures (the 6 R's – what to do if...)

1. Receive

- Keep calm
- Listen to what is being said without displaying shock or disbelief
- Take what is being said to you seriously
- Note down what has been said

2. Respond

- Reassure the pupil that they have done the right thing in talking to you
- Be honest and do not make promises you cannot keep e.g. “It will be alright now”
- **Do not promise confidentiality**; you have a duty to refer
- Reassure and alleviate guilt, if the pupil refers to it e.g. “you’re not to blame”
- Reassure the child that information will only be shared with those who need to know

3. React

- React to the pupil only as far as is necessary for you to establish whether or not you need to refer the matter, but do not interrogate for full details
- **Do not** ask leading questions; “Did he/she....?” Such questions can invalidate evidence.
- **Do** ask open “TED” questions; Tell, explain, describe
- Do not criticise the perpetrator; the pupil may have affection for him/her
- Do not ask the pupil to repeat it all for another member of staff
- Explain what you have to do next and who you have to talk to

4. Record

- Make some brief notes at the time on any paper which comes to hand and write them up as soon as possible
- Do not destroy your original notes
- Record the date, time, place, any non-verbal behaviour and the words used by the child. Always ensure that as far as possible you have recorded the actual words used by the child.
- Record statements and observable things rather than your interpretations or assumptions

5. Remember

- Contact the designated safeguarding lead (DSL)
- The DSL may be required to make appropriate records available to other agencies
- **LSCB: www.LSCB.org.uk**

6. Relax

- Get some support for yourself, dealing with disclosures can be traumatic for professionals

Appendix 5: safer recruitment and DBS checks – policy and procedures

Recruitment and selection process

The recruitment steps outlined below are based on part 3 of Keeping Children Safe in Education.

To make sure we recruit suitable people, we will ensure that those involved in the recruitment and employment of staff to work with children have received appropriate safer recruitment training.

We have put the following steps in place during our recruitment and selection process to ensure we are committed to safeguarding and promoting the welfare of children.

Advertising

When advertising roles, we will make clear:

- Our school's commitment to safeguarding and promoting the welfare of children
- That safeguarding checks will be undertaken
- The safeguarding requirements and responsibilities of the role, such as the extent to which the role will involve contact with children
- Whether or not the role is exempt from the Rehabilitation of Offenders Act 1974 and the amendments to the Exceptions Order 1975, 2013 and 2020. If the role is exempt, certain spent convictions and cautions are 'protected', so they do not need to be disclosed, and if they are disclosed, we cannot take them into account

Application forms

Our application forms will:

- Include a statement saying that it is an offence to apply for the role if an applicant is barred from engaging in regulated activity relevant to children (where the role involves this type of regulated activity)
- Include a copy of, or link to, our child protection and safeguarding policy and our policy on the employment of ex-offenders

Shortlisting

Our shortlisting process will involve at least 2 people and will:

- Consider any inconsistencies and look for gaps in employment and reasons given for them
- Explore all potential concerns

Once we have shortlisted candidates, we will ask shortlisted candidates to:

- Complete a self-declaration of their criminal record or any information that would make them unsuitable to work with children, so that they have the opportunity to share relevant information and discuss it at interview stage. The information we will ask for includes:
 - If they have a criminal history
 - Whether they are included on the barred list
 - Whether they are prohibited from teaching
 - Information about any criminal offences committed in any country in line with the law as applicable in England and Wales

- Any relevant overseas information
- Inform them that online searches will take place

Sign a declaration confirming the information they have provided is true

Seeking references and checking employment history

We will obtain references before interview. Any concerns raised will be explored further with referees and taken up with the candidate at interview.

When seeking references, we will:

- Not accept open references
- Liaise directly with referees and verify any information contained within references with the referees
- Ensure any references are from the candidate's current employer and completed by a senior person. Where the referee is school based, we will ask for the reference to be confirmed by the headteacher/principal as accurate in respect to disciplinary investigations
- Obtain verification of the candidate's most recent relevant period of employment if they are not currently employed
- Secure a reference from the relevant employer from the last time the candidate worked with children if they are not currently working with children
- Compare the information on the application form with that in the reference and take up any inconsistencies with the candidate
- Resolve any concerns before any appointment is confirmed

Interview and selection

When interviewing candidates, we will:

- Probe any gaps in employment, or where the candidate has changed employment or location frequently, and ask candidates to explain this
- Explore any potential areas of concern to determine the candidate's suitability to work with children
- Record all information considered and decisions made

Pre-appointment vetting checks

We will record all information on the checks carried out in the school's single central record (SCR). Copies of these checks, where appropriate, will be held in individuals' personnel files. We follow requirements and best practice in retaining copies of these checks, as set out below.

New staff

All offers of appointment will be conditional until satisfactory completion of the necessary pre-employment checks. When appointing new staff, we will:

- Verify their identity
- Obtain (via the applicant) an enhanced DBS certificate, including barred list information for those who will be engaging in regulated activity (see definition below). We will obtain the certificate before, or as soon as practicable after, appointment, including when using the DBS update service. We will not keep a copy of the certificate for longer than 6 months, but when the copy is destroyed we may still keep a record of the fact that vetting took place, the result of the check and recruitment decision taken

- Obtain a separate barred list check if they will start work in regulated activity before the DBS certificate is available
- Verify their mental and physical fitness to carry out their work responsibilities
- Verify their right to work in the UK. We will keep a copy of this verification for the duration of the member of staff's employment and for 2 years afterwards
- Verify their professional qualifications, as appropriate
- Ensure they are not subject to a prohibition order if they are employed to be a teacher
- Carry out further additional checks, as appropriate, on candidates who have lived or worked outside of the UK. Where available, these will include:
 - For all staff, including teaching positions: [criminal records checks for overseas applicants](#)
 - For teaching positions: obtaining a letter of professional standing from the professional regulating authority in the country where the applicant has worked
 - We will ensure that appropriate checks are carried out to ensure that individuals are not disqualified under the 2018 Childcare Disqualification Regulations and Childcare Act 2006. Where we take a decision that an individual falls outside of the scope of these regulations and we do not carry out such checks, we will retain a record of our assessment on the individual's personnel file. This will include our evaluation of any risks and control measures put in place, and any advice sought.
 - Carrying out online searches as part of our due diligence process in recruitment for shortlisted candidates

Regulated activity means a person who will be:

- Responsible, on a regular basis in a school or college, for teaching, training, instructing, caring for or supervising children; or
- Carrying out paid, or unsupervised unpaid, work regularly in a school or college where that work provides an opportunity for contact with children; or
- Engaging in intimate or personal care or overnight activity, even if this happens only once and regardless of whether they are supervised or not

Existing staff

In certain circumstances we will carry out all the relevant checks on existing staff as if the individual was a new member of staff. These circumstances are when:

- There are concerns about an existing member of staff's suitability to work with children; or
- An individual moves from a post that is not regulated activity to one that is; or
- There has been a break in service of 12 weeks or more

We will refer to the DBS anyone who has harmed, or poses a risk of harm, to a child or vulnerable adult where:

- We believe the individual has engaged in [relevant conduct](#); or
- We believe the individual has received a caution or conviction for a relevant (automatic barring either with or without the right to make representations) offence, under the [Safeguarding Vulnerable Groups Act 2006 \(Prescribed Criteria and Miscellaneous Provisions\) Regulations 2009](#); or
- We believe the 'harm test' is satisfied in respect of the individual (i.e. they may harm a child or vulnerable adult or put them at risk of harm); and

- The individual has been removed from working in regulated activity (paid or unpaid) or would have been removed if they had not left

Agency and third-party staff

We will obtain written notification from any agency or third-party organisation that it has carried out the necessary safer recruitment checks that we would otherwise perform. We will also check that the person presenting themselves for work is the same person on whom the checks have been made.

Contractors

We will ensure that any contractor, or any employee of the contractor, who is to work at the school has had the appropriate level of DBS check (this includes contractors who are provided through a PFI or similar contract). This will be:

- An enhanced DBS check with barred list information for contractors engaging in regulated activity
- An enhanced DBS check, not including barred list information, for all other contractors who are not in regulated activity but whose work provides them with an opportunity for regular contact with children

We will obtain the DBS check for self-employed contractors.

We will not keep copies of such checks for longer than 6 months.

Contractors who have not had any checks will not be allowed to work unsupervised or engage in regulated activity under any circumstances.

We will check the identity of all contractors and their staff on arrival at the school.

For self-employed contractors such as music teachers or sports coaches, we will ensure that appropriate checks are carried out to ensure that individuals are not disqualified under the 2018 Childcare Disqualification Regulations and Childcare Act 2006. Where we decide that an individual falls outside of the scope of these regulations and we do not carry out such checks, we will retain a record of our assessment. This will include our evaluation of any risks and control measures put in place, and any advice sought.

Trainee/student teachers

Where applicants for initial teacher training are salaried by us, we will ensure that all necessary checks are carried out.

Where trainee teachers are fee-funded, we will obtain written confirmation from the training provider that necessary checks have been carried out and that the trainee has been judged by the provider to be suitable to work with children.

In both cases, this includes checks to ensure that individuals are not disqualified under the 2018 Childcare Disqualification Regulations and Childcare Act 2006.

Volunteers

We will:

- Never leave an unchecked volunteer unsupervised or allow them to work in regulated activity
- Obtain an enhanced DBS check with barred list information for all volunteers who are new to working in regulated activity
- Carry out a risk assessment when deciding whether to seek an enhanced DBS check without barred list information for any volunteers not engaging in regulated activity. We will retain a record of this risk assessment
- Ensure that appropriate checks are carried out to ensure that individuals are not disqualified under the 2018 Childcare Disqualification Regulations and Childcare Act 2006. Where we decide that an individual falls outside of the scope of these regulations and we do not carry out such checks, we will retain a record of our assessment. This will

include our evaluation of any risks and control measures put in place, and any advice sought

Governors

All governors will have an enhanced DBS check without barred list information. They will have an enhanced DBS check with barred list information if working in regulated activity.

Adults who supervise pupils on work experience

When organising work experience, we will ensure that policies and procedures are in place to protect children from harm.

We will also consider whether it is necessary for barred list checks to be carried out on the individuals who supervise a pupil under 16 on work experience. This will depend on the specific circumstances of the work experience, including the nature of the supervision, the frequency of the activity being supervised, and whether the work is regulated activity.

Appendix 6: allegations of abuse made against staff

Section 1: allegations that may meet the harms threshold

This section applies to all cases in which it is alleged that a current member of staff, including a supply teacher, volunteer or contractor, has:

- Behaved in a way that has harmed a child, or may have harmed a child, and/or
- Possibly committed a criminal offence against or related to a child, and/or
- Behaved towards a child or children in a way that indicates he or she may pose a risk of harm to children, and/or
- Behaved or may have behaved in a way that indicates they may not be suitable to work with children – this includes behaviour taking place both inside and outside of school

We will deal with any allegation of abuse quickly, in a fair and consistent way that provides effective child protection while also supporting the individual who is the subject of the allegation.

A 'case manager' will lead any investigation. This will be the headteacher, or the chair of governors where the headteacher is the subject of the allegation. The case manager will be identified at the earliest opportunity.

Our procedures for dealing with allegations will be applied with common sense and judgement.

Suspension of the accused until the case is resolved

Suspension of the accused will not be the default position and will only be considered in cases where there is reason to suspect that a child or other children is/are at risk of harm, or the case is so serious that there might be grounds for dismissal. In such cases, we will only suspend an individual if we have considered all other options available and there is no reasonable alternative.

Based on an assessment of risk, we will consider alternatives such as:

- Redeployment within the school so that the individual does not have direct contact with the child or children concerned
- Providing an assistant to be present when the individual has contact with children
- Redeploying the individual to alternative work in the school so that they do not have unsupervised access to children
- Moving the child or children to classes where they will not come into contact with the individual, making it clear that this is not a punishment and parents/carers have been consulted

- › Temporarily redeploying the individual to another role in a different location, for example to an alternative school.

If in doubt, the case manager will seek views from the school's personnel adviser and the designated officer at the local authority, as well as the police and children's social care where they have been involved.

Definitions for outcomes of allegation investigations

- › **Substantiated:** there is sufficient evidence to prove the allegation
- › **Malicious:** there is sufficient evidence to disprove the allegation and there has been a deliberate act to deceive, or to cause harm to the subject of the allegation
- › **False:** there is sufficient evidence to disprove the allegation
- › **Unsubstantiated:** there is insufficient evidence to either prove or disprove the allegation (this does not imply guilt or innocence)
- › **Unfounded:** to reflect cases where there is no evidence or proper basis which supports the allegation being made

Procedure for dealing with allegations

In the event of an allegation that meets the criteria above, the case manager will take the following steps:

- › Conduct basic enquiries in line with local procedures to establish the facts to help determine whether there is any foundation to the allegation before carrying on with the steps below
- › Discuss the allegation with the designated officer at the local authority. This is to consider the nature, content and context of the allegation and agree a course of action, including whether further enquiries are necessary to enable a decision on how to proceed, and whether it is necessary to involve the police and/or children's social care services. (The case manager may, on occasion, consider it necessary to involve the police *before* consulting the designated officer – for example, if the accused individual is deemed to be an immediate risk to children or there is evidence of a possible criminal offence. In such cases, the case manager will notify the designated officer as soon as practicably possible after contacting the police)
- › Inform the accused individual of the concerns or allegations and likely course of action as soon as possible after speaking to the designated officer (and the police or children's social care services, where necessary). Where the police and/or children's social care services are involved, the case manager will only share such information with the individual as has been agreed with those agencies
- › Where appropriate (in the circumstances described above), carefully consider whether suspension of the individual from contact with children at the school is justified or whether alternative arrangements such as those outlined above can be put in place. Advice will be sought from the designated officer, police and/or children's social care services, as appropriate
- › Where the case manager is concerned about the welfare of other children in the community or the individual's family, they will discuss these concerns with the DSL and make a risk assessment of the situation. If necessary, the DSL may make a referral to children's social care
- › **If immediate suspension is considered necessary**, agree and record the rationale for this with the designated officer. The record will include information about the alternatives

to suspension that have been considered, and why they were rejected. Written confirmation of the suspension will be provided to the individual facing the allegation or concern within 1 working day, and the individual will be given a named contact at the school and their contact details

- **If it is decided that no further action is to be taken** in regard to the subject of the allegation or concern, record this decision and the justification for it and agree with the designated officer what information should be put in writing to the individual and by whom, as well as what action should follow both in respect of the individual and those who made the initial allegation
- **If it is decided that further action is needed**, take steps as agreed with the designated officer to initiate the appropriate action in school and/or liaise with the police and/or children's social care services as appropriate
- Provide effective support for the individual facing the allegation or concern, including appointing a named representative to keep them informed of the progress of the case and considering what other support is appropriate. – trade union representatives, or a colleague, for example – and any school/local authority/trust arrangements for welfare counselling or medical advice
- Inform the parents or carers of the child/children involved about the allegation as soon as possible if they do not already know (following agreement with children's social care services and/or the police, if applicable). The case manager will also inform the parents or carers of the requirement to maintain confidentiality about any allegations made against teachers (where this applies) while investigations are ongoing. Any parent or carer who wishes to have the confidentiality restrictions removed in respect of a teacher will be advised to seek legal advice
- Keep the parents or carers of the child/children involved informed of the progress of the case (only in relation to their child – no information will be shared regarding the staff member)
- Make a referral to the DBS where it is thought that the individual facing the allegation or concern has engaged in conduct that harmed or is likely to harm a child, or if the individual otherwise poses a risk of harm to a child

Within the Early Years

We will inform Ofsted of any allegations of serious harm or abuse by any person living, working, or looking after children at the premises (whether the allegations relate to harm or abuse committed on the premises or elsewhere), and any action taken in respect of the allegations. This notification will be made as soon as reasonably possible and always within 14 days of the allegations being made.

If the school is made aware that the secretary of state has made an interim prohibition order in respect of an individual, we will immediately suspend that individual from teaching, pending the findings of the investigation by the Teaching Regulation Agency.

Where the police are involved, wherever possible the school will ask the police at the start of the investigation to obtain consent from the individuals involved to share their statements and evidence for use in the school's disciplinary process, should this be required at a later point.

Additional considerations for supply teachers and all contracted staff

If there are concerns or an allegation is made against someone not directly employed by the school, such as a supply teacher or contracted staff member provided by an agency, we will take the actions below in addition to our standard procedures.

- We will not decide to stop using an individual due to safeguarding concerns without finding out the facts and liaising with our LADO to determine a suitable outcome

- The governing board will discuss with the agency whether it is appropriate to suspend the individual, or redeploy them to another part of the school, while the school carries out the investigation
- We will involve the agency fully, but the school will take the lead in collecting the necessary information and providing it to the LADO as required
- We will address issues such as information sharing, to ensure any previous concerns or allegations known to the agency are taken into account (we will do this, for example, as part of the allegations management meeting or by liaising directly with the agency where necessary)

When using an agency, we will inform them of our process for managing allegations, and keep them updated about our policies as necessary, and will invite the agency's HR manager or equivalent to meetings as appropriate.

Timescales

We will deal with all allegations as quickly and effectively as possible and will endeavour to comply with the following timescales, where reasonably practicable:

- Any cases where it is clear immediately that the allegation is unsubstantiated or malicious should be resolved within 1 week
- If the nature of an allegation does not require formal disciplinary action, appropriate action should be taken within 3 working days
- If a disciplinary hearing is required and can be held without further investigation, this should be held within 15 working days

However, these are objectives only and where they are not met, we will endeavour to take the required action as soon as possible thereafter.

Specific actions

Action following a criminal investigation or prosecution

The case manager will discuss with the local authority's designated officer whether any further action, including disciplinary action, is appropriate and, if so, how to proceed, taking into account information provided by the police and/or children's social care services.

Conclusion of a case where the allegation is substantiated

If the allegation is substantiated and the individual is dismissed or the school ceases to use their services, or the individual resigns or otherwise ceases to provide their services, the school will make a referral to the DBS for consideration of whether inclusion on the barred lists is required. If the individual concerned is a member of teaching staff, the school will consider whether to refer the matter to the Teaching Regulation Agency to consider prohibiting the individual from teaching.

Individuals returning to work after suspension

If it is decided on the conclusion of a case that an individual who has been suspended can return to work, the case manager will consider how best to facilitate this.

The case manager will also consider how best to manage the individual's contact with the child or children who made the allegation, if they are still attending the school.

Unsubstantiated, unfounded, false or malicious reports

If a report is:

- Determined to be unsubstantiated, unfounded, false or malicious, the DSL will consider the appropriate next steps. If they consider that the child and/or person who made the allegation is in need of help, or the allegation may have been a cry for help, a referral to children's social care may be appropriate
- Shown to be deliberately invented, or malicious, the school will consider whether any disciplinary action is appropriate against the individual(s) who made it

Unsubstantiated, unfounded, false or malicious allegations

If an allegation is:

- Determined to be unsubstantiated, unfounded, false or malicious, the LADO and case manager will consider the appropriate next steps. If they consider that the child and/or person who made the allegation is in need of help, or the allegation may have been a cry for help, a referral to children's social care may be appropriate
- Shown to be deliberately invented, or malicious, the school will consider whether any disciplinary action is appropriate against the individual(s) who made it

Confidentiality and information sharing

The school will make every effort to maintain confidentiality and guard against unwanted publicity while an allegation is being investigated or considered.

The case manager will take advice from the LADO, police and children's social care services, as appropriate, to agree:

- Who needs to know about the allegation and what information can be shared
- How to manage speculation, leaks and gossip, including how to make parents or carers of a child/children involved aware of their obligations with respect to confidentiality
- What, if any, information can be reasonably given to the wider community to reduce speculation
- How to manage press interest if, and when, it arises

Record-keeping

The case manager will maintain clear records about any case where the allegation or concern meets the criteria above and store them on the individual's confidential personnel file for the duration of the case.

The records of any allegation that, following an investigation, is found to be malicious or false will be deleted from the individual's personnel file (unless the individual consents for the records to be retained on the file).

For all other allegations (which are not found to be malicious or false), the following information will be kept on the file of the individual concerned:

- A clear and comprehensive summary of the allegation
- Details of how the allegation was followed up and resolved
- Notes of any action taken, decisions reached and the outcome
- A declaration on whether the information will be referred to in any future reference

In these cases, the school will provide a copy to the individual, in agreement with children's social care or the police as appropriate.

Where records contain information about allegations of sexual abuse, we will preserve these for the Independent Inquiry into Child Sexual Abuse (IICSA), for the term of the inquiry. We will retain all other records at least until the individual has reached normal pension age, or for 10 years from the date of the allegation if that is longer.

References

When providing employer references, we will:

- Not refer to any allegation that has been found to be false, unfounded, unsubstantiated or malicious, or any repeated allegations which have all been found to be false, unfounded, unsubstantiated or malicious

- Include substantiated allegations, provided that the information is factual and does not include opinions

Learning lessons

After any cases where the allegations are *substantiated*, the case manager will review the circumstances of the case with the local authority's designated officer to determine whether there are any improvements that we can make to the school's procedures or practice to help prevent similar events in the future.

This will include consideration of (as applicable):

- Issues arising from the decision to suspend the member of staff
- The duration of the suspension
- Whether or not the suspension was justified
- The use of suspension when the individual is subsequently reinstated. We will consider how future investigations of a similar nature could be carried out without suspending the individual

For all other cases, the case manager will consider the facts and determine whether any improvements can be made.

Non-recent allegations

Abuse can be reported, no matter how long ago it happened.

We will report any non-recent allegations made by a child to the LADO in line with our local authority's procedures for dealing with non-recent allegations.

Where an adult makes an allegation to the school that they were abused as a child, we will advise the individual to report the allegation to the police.

Section 2: concerns that do not meet the harm threshold

This section applies to all concerns (including allegations) about members of staff, including supply teachers, volunteers and contractors, which do not meet the harm threshold set out in section 1 above.

Concerns may arise through, for example:

- Suspicion
- Complaint
- Disclosure made by a child, parent or other adult within or outside the school
- Pre-employment vetting checks

We recognise the importance of responding to and dealing with any concerns in a timely manner to safeguard the welfare of children.

Definition of low-level concerns

The term 'low-level' concern is any concern – no matter how small – that an adult working in or on behalf of the school may have acted in a way that:

- Is inconsistent with the staff code of conduct, including inappropriate conduct outside of work, **and**
- Does not meet the allegations threshold or is otherwise not considered serious enough to consider a referral to the designated officer at the local authority

Examples of such behaviour could include, but are not limited to:

- Being overly friendly with children
- Having favourites
- Taking photographs of children on their mobile phone
- Engaging with a child on a one-to-one basis in a secluded area or behind a closed door
- Using inappropriate sexualised, intimidating or offensive language

Sharing low-level concerns

We recognise the importance of creating a culture of openness, trust and transparency to encourage all staff to share low-level concerns so that they can be addressed appropriately and to ensure a robust focus on early intervention and record keeping is maintained.

We will create this culture by:

- Ensuring staff are clear about what appropriate behaviour is, and are confident in distinguishing expected and appropriate behaviour from concerning, problematic or inappropriate behaviour, in themselves and others
- Empowering staff to share any low-level concerns as per section 7.7 of this policy
- Empowering staff to self-refer
- Addressing unprofessional behaviour and supporting the individual to correct it at an early stage
- Providing a responsive, sensitive and proportionate handling of such concerns when they are raised
- Helping to identify any weakness in the school's safeguarding system

Responding to low-level concerns

If the concern is raised via a third party, the headteacher will collect evidence where necessary by speaking:

- Directly to the person who raised the concern, unless it has been raised anonymously
- To the individual involved and any witnesses

The headteacher will use the information collected to categorise the type of behaviour and determine any further action, in line with the school's staff code of conduct.

Record keeping

All low-level concerns will be recorded in writing. In addition to details of the concern raised, records will include the context in which the concern arose, any action taken and the rationale for decisions and action taken.

Records will be:

- Kept confidential, held securely and comply with the DPA 2018 and UK GDPR
- Reviewed so that potential patterns of concerning, problematic or inappropriate behaviour can be identified. Where a pattern of such behaviour is identified, we will decide on a course of action, either through our disciplinary procedures or, where a pattern of behaviour moves from a concern to meeting the harms threshold as described in section 1 of this appendix, we will refer it to the designated officer at the local authority

- Retained at least until the individual leaves employment at the school

Where a low-level concern relates to a supply teacher or contractor, we will notify the individual's employer, so any potential patterns of inappropriate behaviour can be identified.

References

We will not include low-level concerns in references unless:

- The concern (or group of concerns) has met the threshold for referral to the designated officer at the local authority and is found to be substantiated; and/or
- The concern (or group of concerns) relates to issues which would ordinarily be included in a reference, such as misconduct or poor performance
